

## SUMMER CAMP IS HERE! »

Summer is finally here, and we couldn't be more excited to kick off another unforgettable season of fun, friendship, and adventure!

This is the summer to join camp and create amazing memories that will last a lifetime as we launch our 2026 Summer Camp programs. Our popular 10-week Summer Camp is back and better than ever! This year, we're expanding opportunities for even more families by welcoming campers ages 3 to 12 years old. We're also thrilled to offer our Youth Equestrian Camp for five exciting weeks, giving youth ages 6 to 14 the chance to learn, explore, and enjoy unique ranch experiences. We look forward to welcoming both new faces and returning campers for a summer filled with discovery, laughter, and lasting friendships.

June is packed with special events for military families, including our beloved Father-Daughter Dance and Summer Family Ranch Day. Be sure to register early for these high-quality experiences designed especially for our military community.

And there's even more to come! Keep an eye out for registration details for our Back-to-School Bash and our upcoming Military Spouse Symposium. We can't wait to spend the summer with you!
